No.D.3.5880/47 dated 27/2/48

Sir,

Sub: Sericulture - Central Silk Farm, Kollegal - Bulls - disposal of the present pair of bulls and purchase of a new pair - Sanction - Requesting.

Ref: G.O.No.3044/Ms.Dev. dated 1/8/45.

In the G.O. cited, Government sanctioned a sum of Rs.800/- for the purchase of a pair of bulls for use in the Central Silk Farm, Kollegal. Accordingly a pair of bulls of sound health was purchased on 5th August 1945 at a cost of Rs.600/-. The Sericultural Expert now reports that one of the bulls has become old and is unable to stand the strain of the Farm work. The local veterinary doctor, who was consulted in the matter, has suggested that it is better to dispose it off. If this is done, it will be difficult to get another to match the remaining bull. It is therefore suggested that the present pair may be sold and a fresh and younger pair purchased within Rs.600/- the price at which the present pair was bought in 1945. I therefore request that Government may be pleased to accord early permission to dispose of the present pair of bulls to the highest obtainable - there is an offer to purchase the pair at Rs.460/- and to purchase a new pair at a cost not exceeding Rs.600/-. The sale proceeds of the existing pair will be remitted into the treasury as abatement of charges under the appropriate head.-

The expenditure will be met from 43 a Industries - Industries - J.3 Sericulture - Propagation and supply of disease free seeds". The Accountant General may be authorised to admit the expenditure in audit pending the provision of funds later.
